

## Arrival Directions: Great Linford Manor Park

### Find the Boarding Point

Electra cruises depart from our Great Linford Manor Park Boarding Point within the park (see map).

### Park

There is plentiful free parking at Great Linford Memorial Hall, Marsh Drive, Great Linford MK14 5AX. Or you can park at the Milton Keynes Arts Centre, Parklands, Great Linford MK14 5DZ.

Then follow the footpaths through the Park, which are wheelchair-friendly, as shown on the map.

**Allow 10 minutes to walk to the Boarding Point.**

### Be prompt

Please be at the Boarding Point **10 minutes ahead of departure**, so that everyone can board safely and the cruise can leave on time. **So, plan to park a total of 20 minutes ahead of your cruise start time.**

If you're running late, call the Electra Boat Phone **07863 585853**. We will do what we can to help, but we can't wait long for stragglers, as this affects other guests and later cruises.

### Check what you're bringing

- Come with just your ticket - due to space restrictions, we cannot accept on board, or store, any pushchairs, scooters, folding wheelchairs/ scooters, bulky bags.
- If you use a wheelchair/ Zimmer frame, check you have booked a free ticket for it and it fits within the maximum width (700mm) of our lift. (Note: lift users must be able to manoeuvre themselves or be with a suitably qualified carer.)
- Bring a payment card - our licensed Galley Bar cannot take cash. (Note: only food and drink that's pre-ordered or purchased from the Bar can be consumed on board.)
- Challenge 25 ID checks are made for alcohol sales, so bring photo ID if needed.
- Bring pen and crayons to use on our free Spotter Sheet.
- Only guide dogs and assistance dogs are allowed on board.
- No smoking or vaping is permitted on Electra or at the Boarding Point.

## Staying safe

Electra's qualified volunteer crew provide safe and enjoyable cruises. Please follow their instructions at all times. Small delays on cruises can sometimes be beyond our control, if the canal is very busy.

Cruises are run in line with public health guidance. We sanitise the boat before each cruise, have good ventilation, and use an air filter.

The boat has a fully accessible toilet with baby change.

The boat has an access lift.
