How would you like to get involved?

We are keen to recruit volunteers who can ideally both crew the boat and lend a hand to prepare for cruising 'behind the scenes'.

Our Volunteer Crews undertake Boat Roles and Land Roles, in fact some do both. Boat Roles include cabin crew, deck crew and more experienced crew can train to become Helmsman and Boatmasters. Land roles include being part of the teams who maintain the boat from cleaning to maintenance or helping with marketing and PR roles. Full training will be given for any role.

Let us know of your availability?

We run regular public trips on Thursdays and Sundays, and charters at any other time in the week. Socials and training take place mostly in the evenings or at weekends. We give approximately a months' notice of cruises that have been booked and ask for volunteers to cover the shifts available. Shifts typically last around 5 hours but times vary according to the cruise schedule. Our sailing session runs from March through to October depending on weather and water levels. Throughout the session we expect our volunteers to commit to a minimum of 2 shifts per month. Our busiest months are June to September please inform us if you are unavailable during any of these months.
