Who runs Electra?

Electra is owned by the Bedford & Milton Keynes Waterway Trust (registered charity 1114294). The Trust champions the creation of a nationally recognised Waterway Park linking Bedford and Milton Keynes that will bring social, economic and environmental benefits locally. Volunteers run Electra to raise awareness and funds for the Trust.

The Trust also runs the John Bunyan Community Boat in Bedford, which carries up to 40 guests and has a bar and galley café. Get a different view of Bedford as you cruise through tranquil countryside and along Bedford Embankment. The John Bunyan offers a wide range of daytime and evening cruises, including music cruises. The John Bunyan is perfect for large group outings – have the boat all to yourselves on a customised private charter.
